

Christmas Dedication Sites

Donate & make a dedication

Each dedication is represented by a light or star

Click or tap on the light/star to see the name & dedication

Our Christmas dedication microsites provide an opportunity for donors to make a donation on behalf of, or in memory of, someone special. This year we will be providing two options for causes to avail of:

1. 'Light Up the Tree' Dedication Microsite - Donor dedications will be represented by a light on the tree. When an individual light is clicked on, a pop-up will appear with the name and dedication message.
2. 'Dedicate a Star' Microsite - Donor dedications will be represented by a star in the night sky of a Christmas scene. When clicked on, a pop-up will appear with the name and dedication message.

The cost of a dedication site starts at €1200. For more details contact: Brian@idonate.ie
